Re: **DIOCESAN INTERNET MINISTRIES**

To: All Clergy of our God-protected Diocese of Eastern America,
Members of our Diocesan Council and Auditing Board,
Members of our Church Boards and Mission Parish Councils, and
Members of the Federation of the Circles of Serbian Sisters:

We pray that this email finds you well in the Lord, as our parishes continue to open up again for liturgical celebrations and the like.

It pleases us to note that a successful **Shadeland 2020 Virtual Camp** was held through means of the Internet, Facebook and Instagram (https://www.easterndioocese.org/news_200722_2). Sincere appreciation is herein offered to our Camp Directors, Shadeland Manager, members of the Federation of the Circles of Serbian Sisters, our Camp Counselors, Staff, and most importantly, our wonderful St. Sava Campers.

In light of the same, we are, indeed, pleased to inform you that our dedicated new Internet Ministries team, in tandem with our Department of Christian Education has to date sponsored and continues to sponsor a very well presented and equally well received, **Orthodoxy Live Lecture Series** (https://www.easterndioocese.org/news_200507_3), for which we offer our collective gratitude.

In order to assist our Diocesan Family, in keeping as close as possible during this period of the coronavirus pandemic, we presently offer our extended services, on behalf of the Diocesan Departments of Internet Ministries and Christian Education, through our newly established **Diocesan Facebook and Instagram**. For new ways and means in which your parish and its community can actively contribute to our ongoing life in common, by submitting photos of your parishes and/or events, kindly be referred to Fr. Aleksa Pavichevich, Director of Internet Ministries (socialmedia@easterndioocese.org).

Finally, we would like to thank all of you who have provided **Live-Streaming** of your Divine Services, as a contemporary form of outreach to our faithful during this present pandemic (<https://www.easterndioocese.org/internetministries>). We have received numerous letters of appreciation both from within and without the Diocese regarding the same, which is, truly, well-pleasing.

With paternal love and archpastoral blessings,

BISHOP OF EASTERN AMERICA
