

## St. Sava Church – Co-Vid Protocols UPDATE – PLEASE NOTE!

**Welcome to our St. Sava Serbian Orthodox Church!** Please help us practice both SAFE and SMART protocols to prevent the spread of the Co-Vid Omicron variant while we celebrate our Christmas Services, by observing:

- (1) **MASKS** are **REQUIRED** for ALL in attendance, whether you are vaccinated or not!
- (2) IF you are sitting with family – you do not have to social distance!
- (3) IF you are not sitting with family, please **maintain a 3-ft distance** between others!
- (4) IF you are coming downstairs for the festivities, **masks are REQUIRED!**
- (5) IF you are receiving Holy Communion at the Divine Liturgies, please **maintain a 3-foot distance** between people around you!

**REMINDER:** we here at St. Sava's are doing our best to insure BOTH a safe and pious environment for our patrons who are here to celebrate and pray with us – we hope you will cooperate with us as we together joyfully celebrate this Christmas Festal Time!
