

The St. Sava Serbian Orthodox  
Church Stewardship Pledge Card

2025

**"On the road leading into the life...,  
You were the leader," O St. Sava,  
Our Beloved Patron Saint!**

**Stewards are Parishioners In Good Standing**

The Stewardship Pledge qualifies husband & wife (for married couples) and single adults as Stewards. Family members 18 and older, who are employed, should have their own Stewardship Pledge Card. Having a signed Pledge Card in the Parish Records signifies that (1) you will **attend Church regularly**, and that (2) you **will receive** the Holy Mysteries (Confession and Communion) on a **regular basis**, as determined by your Parish Priest, and (3) that you will do your best **to serve (work) for** our Parish. The Pledge cards will be collected at the end of the Holy Liturgy on Sunday, **December 15<sup>th</sup>, 2024**, or they can be mailed in to the Church office by the end of May, 2025.

**NEW STEWARDS**

Orthodox Christians who wish to become Stewards in good standing can do so by calling the Church Office for information (412-672-1872), make a Stewardship Commitment, or by visiting us online at [www.stsavapa.org](http://www.stsavapa.org).

**Private and Confidential**

Your Stewardship Pledge is kept in confidence in keeping with our Lord's teaching that giving should be done quietly and out of the sight of others. If you wish to revise your commitment during the year for any reason, just notify the Church office of your desire.

*"The Patron Saint Of Our Church - Sava,  
The Enlightener Of Serbs!"*

This Year's Stewardship Theme is a challenge to all: we must learn how to follow in the footsteps of our Holy Patron Saint SAVA, our Enlightener and Teacher of Orthodoxy! It is important that this coming year, we do all that we can to take a long hard look at our priorities in life and do our best to rearrange them so that we are truly sacrificing our-selves, as best we can, to serve our Lord and those He puts into our lives! In so doing, remember what is important for ALL of us: the example of Christian living that St. Sava manifested: love, patience, and forgiveness in life, which we acquire through PRAYER, FASTING, receiving the HOLY EUCHARIST, and practicing the Virtues of HUMILITY and ALMS-GIVING, both to the Church of Christ, as well as to those in need!

**OUR PARISH'S CONTINUING MINISTRIES:**

As we move towards the New Calendar Year, 2025, our Church-Health Ministries continue to make progress, as new goals are realized: **Technology:** to enhance the awareness, growth, and knowledge of the Orthodox Faith and our Parish through the use of improved technological resources. (Here, we are have upgraded BOTH our ability to LIVE-STREAM our services, as well

as providing the means to develop a Professional Video for our Parish. In addition, Fr. Stevo's Weekly Podcasts continue, with important topics available online for our faithful to access via our Website.

**The Activities/Welcoming Committee** has established activities/events that encourage the Orthodox Christians, and non-Orthodox Christians. (Just in the past two years, through our social media and parish events, we have welcomed four new Stewards into the parish!) Here, our "Taste of Serbia", event has become a wonderful experience that welcomes parishioners as well as those outside our Community to get a first-hand experience of what are beloved Parish is all about!

**The Faith/Liturgy Committee:** works to increase the knowledge and understanding of the Orthodox Faith and Liturgy (Here, we have placed new Liturgy books in the pews, as well as working on a VIRTUAL TOUR to help bring more of our 'neighbors' into our Community.

**Your Pledge Empower Our PARISH**

Thus, your Stewardship 2025 Pledge will help us develop means of "Sharing The Good News" through Social Media advances and the use of Proven Technological Tools, and to Create a variety of events and activities, by inviting Professional Speakers, that will focus on areas such as spirituality, health, parenting & job skills, cultural history, as well as partnering with local charitable and non-Profit Organizations.
